

We believe in the future...

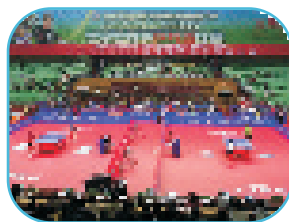

We believe in you...

Viksun Carriers Pvt Ltd. is proud to be associated with Students Made Cars by providing single-window logistics solutions to the complex supply chain involved in car transportation.

We have handled Student Made Cars for:

- Formula Student (Silverstone)- Participants were IIT Delhi / Delhi College of Engineering
- Super Mileage (Michigan, USA)- Participants were Rayat Institute of Engineering & Information Technology
- FSAE Australasia – Participants were Chitkara Institute of Engg & Technology and Maharaja Agrasen Institute of Technology

Formula Student is the biggest motorsport event of its kind in Europe, USA and Australia, run by the Institution of Mechanical Engineers (IMechE) and SAE in partnership with various well known companies in the industry, it promotes careers and excellence in engineering, by challenging university students to design, build, develop, market and compete as a team with a small single seater racing car. This event has grown to host over 250 teams from all around the world and led to the creation of similar competitions in Europe, Asia, South America and Australia.

Viksun specialises in door-to-door logistics solutions to UK, Europe, USA, Spain, Germany and Australia for your Tournaments / Events / Championship needs.
